Dear Mr and Mrs Vials Moore

Gwendoline Vials Moore (22/08/14)
Streatham House Nursey

Following consideration at the SEN and Inclusion panel it has been decided to proceed with an Education, Health Care Needs assessment of Gwendoline's special educational needs.

As part of this assessment the authority is seeks advice from:

- You and your child
- Educational advice from the manager of the educational institution attended by your child
- Medical advice and information from health care professionals involved with your child
- Psychological advice and information from an Educational Psychologist normally employed or commissioned by the local authority
- Social care advice and information from or on behalf of the local authority, including if appropriate, children in need or child protection assessments, information from a looked after child plan or adult social care assessments for young people over 18.
- Advice and information from any person requested by you where the local authority considers it reasonable to do so. If there is a particular person you would like us to request advice from could you please provide contact details.
- Any other advice and information which the local authority considers appropriate for a satisfactory assessment.

The authority has already received your views through your completed Personal Profiles, however if you want to add any additional information can you send it for my attention to the address above by 26/08/18.
