

SPEECH AND LANGUAGE THERAPY PROGRAMME / THERAPY NOTES

Adam & Cara,
I saw Owen's
photo in the Aldi
magazine.
She looked
fabulous.
Sara

CHILD'S NAME: Owen & Maisie Moore

SEEN AT: Streatham House nursery

I was delighted to see Owen with Maisie today.
She is definitely becoming a lot more vocal.

Owen loved the posting box - choosing a picture
inserting it and posting.

She would sign and say eg. ball, fish, car

We stressed the initial sounds and described
how to make them eg. lips together 'b'
teeth on lip 'f' open mouth 'k'

Tolly Phonics - again to focus on sounds -
elongate them and use illustration +
the actions.

Have a bag of everyday objects to link with
the Tolly Phonics pictures

eg. c/k - car, cup, cow, keys
b - ball, book
s - sock, sun

Make the sounds as you put the object on the
appropriate picture.

Oral Control - continuing with lots of blowing
activities - these are really
helping increase Owen's oral tone

Speech and Language Therapist: Sara Woodward

Date: 6.3.18
