HOW TO GET NEW GLASSES

If you are under 16

You must take this prescription to a registered (qualified) optician.

If you are 16 or over

You must take this prescription to a registered (qualified) optician or anyone else who supplies glasses.

HELP WITH THE COST OF GLASSES

You can apply for help by filling in a form at the hospital if:

- you are under 16
- you are a full time student under 19

Or in a family which:

- gets income support
- gets family credit
- has a DSS certificate (HC2) for full help which has not run out.
- has a certificate (HC3) for limited help which has not run out.

If you think the DSS might decide that you are on a low income

Get form HC1 from the hospital and send your application to the Health Benefits Unit.

REPAIR AND REPLACEMENT OF SPECTACLES.

If your spectacles need repair or replacement within one year of the date of sight test shown on the prescription you can use this form to obtain service from either the original or a different supplier. You do not need to obtain any further forms from the hospital. Where there is any entitlement to help with the cost of repair or replacement of glasses the supplier will issue the NHS voucher.
